The kitchen faucet **Amur AM719.0/12C** perfectly captures the originality and practicality. The faucet is made by the Czech company Slezák - Rav CZ, s.r.o., which emphasizes honesty and tradition. They have been operating on the market since 2001. The products of the brand Slezák Rav CZ, s.r.o. come with an extended warranty.

The Arched kitchen faucet Amur features a so-called **flexible spout** and a swiveling arm **with a shower** function (stream / shower). This makes it easy to fill a pot with water or rinse the sink from leftover dirt. Thanks to the combination of a swiveling spout and a flexible head, the faucet is an ideal choice for double sinks or sinks with a basin.

The Amur sink faucet is equipped with a branded **ceramic cartridge** with a diameter of 35 mm (KA3502). The faucet handle is black in color. The package includes an installation kit and an accompanying manual, which will facilitate the entire installation process. The faucet package contains two connection hoses (connections for cold and hot water).
